

Individual Membership

There are many ways to support the work of Granite State Organizing Project. Many people become members through their churches, unions, or community groups, but you can also become a member as an individual.

For \$10 to \$30 a year, you can support GSOP's work reducing hate and increasing justice through our work empowering youth and immigrants; training people in leadership, immigration support, and active bystander skills; and working toward an economy that supports working and poor families.

Organizational and individual members of GSOP have a say in how GSOP makes a difference in New Hampshire. Through financial support, taking part in action committees, attending and voting at local Chapter meetings and "caucusing" with other individual members at Annual meetings, all members participate in GSOP's work of creating a more just society.

To join us, you may complete this form and give it to one of the GSOP staff at this event, or visit our webpage at www.granitestateorganizingproject.org/indmembers. If you have any questions, contact Aron DiBacco at 603-668-8250 or adibacco@granitestateorganizing.org.
