

Better Spaces, Brighter Futures

A Campaign of Young Organizers United (YOU)

Young Organizers United (YOU) is a group of high school aged youth representing all four schools in Manchester. We learn the steps of the community organizing cycle and become civically engaged. YOU members learn about and from local elected officials including members of School Board, Board of Alderman, and the Mayor's Office.

OUR GOALS ➤➤➤➤➤➤➤➤➤➤ OUR STEPS

Launched in April of 2025, the campaign aims to secure clean & usable bathrooms, feminine hygiene products, and functional doors and toilets for Manchester schools.

We recognize that without access to basic and critical services such as working bathrooms, clean stalls, and feminine products, student body can not learn and thrive. Through testifying at public hearings, meeting with local officials, and conducting surveys, we defend public education from threats of neglect and affirmatively create accessible and inclusive academic environments.

Support Us In This Cause!

Now more than ever, we are asking for everyone's support. If this resonates with your organization's cause in any way, reach out to us through: mackenziev@granitestateorganizing.org. Join us in protecting quality public education for the youth of Manchester and beyond.
